

YAMAKOYO GASOLINE GENERATOR GFH 1500 L

# YAMAKOYO GASOLINE GENERATOR GFH 1500 L

**Kode Produk: GFH1500L**

Engine Model : 156F Voltage : 220V Frequency : 50 Hz Fuel Tank Volume : 6 L

| GFH 1500 L   |                     |                  |              |
|--------------|---------------------|------------------|--------------|
| Engine Model | 156F                | Displacement     | 98 cc        |
| Max Output   | 1.2 kw              | Rated Output     | 1.0 kw       |
| Voltage      | 220V                | Frequency        | 50Hz         |
| Panel Style  | N Style             | Fuel Tank Volume | 6L           |
| DC Output    | 12V / 8.3 A         | Starter          | Recoil Start |
| AVR          | Weight (net/gro) kg |                  | 26.5 / 26    |
| Packing Size | 485 x395 x 430      |                  |              |
